SO-MS Report

Sector NC still needs help at front desk check-in and members can get quals to assist with Marine Science also. Members interested in Marine Science, they are in need of EPA responders and Container inspectors. The contact to get involved with either area is Erin Woods 910-772-2219

USCG has a UPV program to offer voluntary no-fault inspections for UPV operators. The sector contact to get involved for this is Rick Hawkins 910-772-2234. Any member interested will need to be AMT complete and complete the Qualls for the UPV.
