SUBJ: Report from SO-NS 10

1. REYR – 2 lists of Avs were sent by DIRAUX—1 list contains the names of those Avs who are current and the 2nd list contains the names of those Avs who are current and have their PQSs.
REYR can be lifted by attending an AV Refresher Workshop, submitting 2 reports this year and completing the PQSs if not done previously.
2. An AV Refresher Workshop was offered at the Division Workshop in March & 14 members attended.
3. The 2017 PATON List is now available & was sent to all Flotillas.
4. FLOTILLA ACTIVITY:
 - 10-01 – Reports were submitted by James Waters regarding Harbour Village Marina
 - 10-05 - Reports were submitted by George Asimos regarding OAK ISLAND LIGHT.
FSO Eric Palmer has requested an AV Refresher Workshop be given at OAK ISLAND. I will make arrangements to do this in the next 2 months.
 - 10-06 - Avs attended an event at Wilmington Marine Center on 22APR. Pictures were taken of the PATONS – Reports will need to be done. I have spoken to the Marina Manager & he realizes the poor condition of the PATONS & is making an attempt to correct the problems.
5. News Report: Lockwood Folly buoys have been disestablished by the CG. Nothing further.

Respectfully Submitted,

Lois Dowty
