

# UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND  
SECURITY

The civilian component of the U. S. Coast Guard  
(Authorized by Congress in 1939)

11 April 2016

FM: SO-OP

TO: Jim Ball DSO-OP 05SR

SUBJ: Report from SO-OP, Division 10

Surface operations in March were limited due to seasonal stand down. However, Station Wrightsville Beach has a very active program requesting Auxiliary patrols for joint training on a twice weekly schedule.

Station Oak Island did not make any requests for Auxiliary patrols.

MOM safety patrols will resume in April.

A request by the US Army for the Auxiliary to again support a Special Operations Force parachute jump into White Lake was rejected by Sector.

A workshop for RS & S procedures was sponsored at Station Oak Island. A PO from Sector Wilmington and our District Captain were in attendance. All flotillas are working to implement records management and inspection requirements of Rescue and Survival Systems by a deadline of 1 June 2016

Respectfully,

George Asimos
