

UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND
SECURITY

The civilian component of the U. S. Coast Guard
(Authorized by Congress in 1939)

June 4, 2016

FM: SO-OP

TO: Jim Ball DSO-OP 05SR

SUBJ: Report from SO-OP, Division 10

Continuing surface operations in May are multi-mission patrols combining MOM and safety patrols with training for crew candidates and preparing members for requalification. The objective is to have a ready boat force with facilities and trained crew to augment the USCG when needed.

Rescue and Survival Systems requirements have been essentially completed by our flotillas to comply with COMDCHANGENOTE 10470.

Five ACR PLB's were received from OTO and issued to crew who were in need of these units.

Requests for additional PPE gear were forwarded to DSO-OP to provide equipment for trainees.

A survey request of EFJ 5100 radios in Division 10 was completed and forwarded to ADSO-OP

Respectfully,

George Asimos
SO-OP Division 10, 054SR
