

# UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND  
SECURITY

The civilian component of the U. S. Coast Guard  
(Authorized by Congress in 1939)

October 13 2016

FM: SO-OP

TO: Jim Ball DSO-OP 05SR

SUBJ: September Report from SO-OP, Division 10

Surface operations are multi-mission patrols combining MOM and safety patrols with training for crew candidates and preparing members for requalification. The objective is to have a ready boat force with facilities and trained crew to augment the USCG when needed.

Special events during September included the "YMCA Triathlon", "Swim the Loop" in the Station Wrightsville AOR and the "King Mackerel Tournament" in Station OI AOR.

Rescue and Survival Systems requirements have been completed by our flotillas to comply with COMDCHANGENOTE 10470.

An inventory of equipment located at Station OI and available for issue to Division 10 members is attached.

Respectfully,

George Asimos  
SO-OP Division 10, 054SR
