

UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY
The civilian component of the U.S. Coast Guard
(Authorized by Congress in 1939)

The RBS -PV program for Division 10 continued to build momentum in 2018. All 4 Flotilla's have connected with their Program Partners. Division 10 has 40 program visitors. Unfortunately only 18 have been active this year so far. It is important for all PVs to stay current by accomplishing the required number of PVs to keep certified. The 18 active members in Division 10 have completed over 284 Program Visits this year.

Respectfully submitted.
