

SO-PV REPORT FOR DIVISION MEETING 16APR2016

- 1) On 1APR2016 SO-PV sent a request to all 054-10 Flotillas FSO-PV for a report on the following:
 - a) Review of all Partners to confirm that the locations were viable
 - b) Check all display boxes to make sure they were in good condition and well stocked
 - c) Review with each PV the status of their Mandated Training
 - d) Recruiting efforts of new PV's and certifications
 - e) Solicit new Partners
 - f) Report on PV activities during the first quarter of 2016

To date, I have received responses from 10-01 and 10-05. In addition, I have received the Training Management report for each flotilla. The results are as follows:

<u>FLOTILLA</u>	<u>TOTAL CERTIFIED PV's</u>	<u>TOTAL PARTNERS</u>	<u>TOTAL VISITS</u>
10-01	14	154	342
10-05	13	58	143
10-06	4	?	97
10-07	6	?	0
10-08	<u>1</u>	?	<u>0</u>
TOTAL	38		582

10-01 has on new PV and two in training. They have added 15 new partners in 2016

10-05 two new PV's and one in training. They have added 3 new partners in 2016.

In conjunction with SO-VE David Tester, we continue to encourage all PV and VE to become cross-trained as the two go hand-in-hand.

Respectively submitted 4APR2015
