

SO-VE REPORT

OCTOBER 2018

Weather played a big role in the performance of the Vessel Safety Checks for the Division.

Division 10 currently ranks 3rd out of 5 Divisions in the Sector.

Below is a breakdown of each Division 10 Flotilla as of 14OCT18:

1. 10-05 has 168 Powerboat Vessel Safety Checks; 72 Paddle Craft Vessel Safety Checks for a total of 240 Vessel Safety Checks.
2. 10-01 has 94 Powerboat Vessel Safety Checks; 57 Paddle Craft Vessel Safety Checks for a total of 151 Vessel Safety Checks.
3. 10-06 has 103 Powerboat Vessel Safety Checks; 44 Paddle Craft Vessel Safety Checks for a total of 147 Vessel Safety Checks.
4. 10-07 has 51 Powerboat Vessel Safety Checks; 5 Paddle Craft Vessel Safety Checks for a total of 56 Vessel Safety Checks.

Individual leaders in each Flotilla are: **#1. Michael Pinto (10-06) with 88 VSC.**

#2 Phil Kraus (10-01) with 63 VSC. Tied for #2 is Glenn McVicker (10-05) with 63 VSC and #4 is John ButlerII (10-07) with 30 VSC.

We currently have 6 Vessel Examiners in Division 10 with 30 or more VSC. Flotilla 10-05 leads here with 3 of those Vessel Examiners.

While this production is well below totals for last year we still have some outstanding weather ahead of us and a lot of time to interact with the boating public. **DO NOT GIVE UP JUST BECAUSE IT IS OCTOBER.**

Respectfully submitted
