Subj: MONTHLY ACTIVITY REPORT for SEP-OCT 2025

1. 2025 Goals:

- Add more Goldside interaction.
- Ensure trainees have access to mentorship to achieve their qualification goals.
- Maintain good PPE stewardship.
- Support Division 25 underway ambitions to greatest extent resources allow.
- Net addition of at least one (1) Operational Facility (OPFAC) vessel.
- Help qualified members to spend at least 24 hours underway on orders.
- Personally spend at least 100 hours underway on USCG orders.

2. Accomplishments toward 2025 goals since last report:

- Operations are halted because of government shutdown.
- PPE inspections – 2nd round completed.
- Flotilla members supported successful QE events on Sector waters.

3. Division Operational Crew

- Coxswain - 3
- Crew - 5 + RYERs
- Trainee - 0 +

4. OPFACS

- Power - 2
- Paddle - 3

5. Upcoming events:

- Unknown due to government shutdown
- Training in concert w/Division Ops

6. Impediments toward goal achievement:

- The unit needs more members who are (i) boat owners, (ii) interested in and capable of qualifying as crew or coxswain, and (iii) are willing to offer their boats for use as OPFACs.
