

01 July 2023

From: SO-OP
To: Division 25 VCDR, DSO-OP
Subj: MONTHLY ACTIVITY REPORT for JUN-JUL 2023

1. 2023 Goals:

- Guidance from Division and Flotilla leadership is to re-establish safe operation in the wake of COVID-19 pandemic.
- Add more Goldside interaction.
- Ensure we have the crews and facilities to safely carry out whatever operational missions asked of us by the USCG.
- Ensure trainees have access to mentorship to achieve their qualification goals.
- Re-establish PPE baseline and routine inspections.
- Support Flotilla 25-25 underway ambitions to greatest extent resources allow.
- Net addition of at least one (1) Operational Facility (OPFAC) vessel.
- Help qualified members to spend at least 24 hours underway on orders.
- Personally spend at least 100 hours underway on USCG orders.

2. Accomplishments toward 2019 goals since last report:

- Conducted break-in patrol for new 25-01 OPFAC.
- Continued response to PPE RFI from D5SR.
- Participated in another 2023 QE Training Patrol

3. Division Operational Crew

- Coxswain - 5
- Crew - 14 + RYERs
- Trainee - unk

4. OPFACS

- Power - unk
- Paddle - unk

5. Upcoming events:

- Break-in patrol for second new D-25 OPFAC
- Participated in Crew training
- First Aid/CPR/AED for Coxswains & Crew Ongoing
- Operations Workshops TBD and upon demand

6. Impediments toward goal achievement:

- The unit needs more members who are (i) boat owners, (ii) interested in and capable of qualifying as crew or coxswain, and (iii) are willing to offer their boats for use as OPFACs.
