Good afternoon,

Please see the attached letter regarding payment of dues. We understand that circumstances change and that some of you may no longer be interested or able to be active with the organization.

If you are unable to be an active member, may I suggest you complete the [linked form \(a7035-Rev-11\)](#) and return to me signed. This releases you from all financial, training and certification obligations to the Auxiliary, including responding to Everbridge notifications.

If your goal is to just financially support the Flotilla and the Auxiliary, then you can still make a donation to the flotilla in any amount you desire. That way, the money actually stays within the CSRA to support boating safety and education. We appreciate your time and dedication to the USCGAUX.

If you are remaining a participant within the organization, then please remit your payment of \$55.00, made out to USCGAUX, FL 21 per the instructions on the attached letter. We must receive these on or before September 30th. Or you can bring them to the meeting on August 3rd at the church, meeting is at 10 AM.

Respectfully,

Commodore Pat McMenemy, FC
Flotilla 21, District 7, USCGAUX
