

Flotilla 95, Marco Island

Boaters Local Knowledge

Navigating Local Channels and Waterways

This course provides practical information on how to navigate various waterways in and around Marco Island. Aerial and on-water photos are used throughout the course and allow attendees to actually see the areas they will be taking their boats through. This course is recommended for new, novice, and intermediate boaters, or boaters who are new to this area.

When: Tuesday, Mar 5, 2024

Time: 5PM

**Where: Flotilla 95 Building
(Caxambas Park)
903 Collier Court
Marco Island, Florida 34145**
