Hi Steve,

I am submitting this PE report for Buddy for May since he was incapacitated with health issues.

1) Buddy Casale and Gordon Thomas did a Boat Safety presentation at the Dunedin Community Center May 1st for the Dunedin Rotary Club luncheon. There were about 25 members in attendance.

2) We had a Boat America Safe Boating class on May 18th and 19th from 9AM to 1 pm each of those days at the Dunedin Marina. We had 11 students and all passed the test.

I have submitted the info for them to receive their cards and input our class activity to auxdata II. These two events were all done during the many other National Safe Boating Week activities we were involved in that month.

3) I also had PE live interviews with Charlie Belcher on Fox News discussing boat safety tips and National Safe Boating Week. Other live interviews were WFLA, City of Dunedin, and BayNews 9.

4) We are also preparing for two weekends of the Boat America classes this month of June and a "Water n Kids" boat safety presentation at the Dunedin Library on June 12th along with some fun games related to water safety.
