Shipmates

For the month of May flotilla 11-10 had four missions scheduled. Two aircraft drop missions and two training missions.

One aircraft drop mission was cancelled for lack of crew second aircraft drop mission was completed. Two training missions with Station Sand Key were completed.

I have been told, aircraft support missions will be with C-27J aircraft from now on.

Thank you,  
Keith Betzing  
11-10 FSO-OP
