

Buddy and I speak at a Rotary Club meeting

Suddenly in Command

On May 1st, Buddy and I spoke to the Dunedin Rotary Club lunch meeting at the Dunedin Community Center.

The program was "Suddenly in Command".

The purpose of this program was to inform everyone the importance of having another person on board who can take over in case of a negative event with the captain.

Buddy also went over some safety issues that are important to know while on the water.

Attentive Rotary members
