

Why you are in the Auxiliary!

When you became a member of the United States Coast Guard Auxiliary, you joined a dedicated group of volunteers who love boating, and who, by their membership in the Auxiliary, perform valuable services to the United States Coast Guard and to the boating public.

As an Auxiliarist, you add a completely new dimension to your activities, enabling you to share in the worthwhile experiences of assisting your fellow boaters, saving lives, continuing to train for important, valued skills of Team Coast Guard and the great fellowship of our group of members. These of some of the member

activities that you can train for, qualify in and participate along with your fellow members, as a part of this USCG Auxiliary Flotilla! You can and are encouraged to demonstrate the value of your continued membership to us here in Saint Augustine.

Please join us at all our meetings and events!
