You'll be working side-by-side with the United States Coast Guard to promote boating safety, saving lives and on the water activities.

Know that you are helping to save lives - either directly through Search and Rescue Operations, or through the Auxiliary's Public Education and Courtesy Examination Programs.

Specialized Training — the Auxiliary and the Coast Guard provide training on many aspects of boating, AuxChef, Public Communication, Watch Standing at CG CG Bases in the Sector.

Fellowship — the Auxiliary provides opportunities to meet and have fun with fellow boaters, members and others with like interests.

Protocol — There are dues and we wear the uniforms. If you join mid-year, your dues are prorated for the quarter you joined and renew annually. You are entitled (and expected) to wear your uniform properly, we represent Team Coast Guard. There are many Auxiliary activities that require you to wear a uniform and to maintain minimum training standards in order to participate, including when working with the public.
