Completion of Auxiliary Coxswain PQS (Volume II)*	
28 hours underway as boat crew	
8-Hour TCT (Team Coordination Training)	
Operations Policy Exam	
Navigation Rules (70) Exam	
1-Hour Operations Policy Yearly Refresher	
ICS 100	
ICS 200	
ICS 210 or ICS 300	
ICS 700	
ICS 800	
BQ or AX Status	
QE Check Ride*	

***Auxiliary Coxswain PQS must be complete except for QE (Qualification Examiner) portions.**

***Check ride consists of two portions with the Qualification Examiner: (1) oral board, (2) on-the-water**

***QE will need a printout from AUXDATA to verify TCT and ICS portions. The QE must have this print out at least two weeks prior to when the check ride is scheduled.**

Auxiliary Coxswain Maintenance Checklist

Item Completion	Date Completed
12 hours underway during calendar year	
1-Hour Operations Policy Yearly Refresher	
1-Hour TCT Yearly Refresher	
8-Hour TCT once every 5 years	
Navigation Rules (95) once every 5 years	
Check ride at least once every 3 years	

***Failure to satisfy all of these requirements result in REYR. REYR is the status of temporarily losing qualification. You must satisfy the missing requirement before the qualification is reinstated.**

***You can be in REYR for up to two years. Failure to satisfy the requirements after two years will result in loss of qualification. The member must then start the qualification process all over to regain the qualification.**
