

## **Auxiliary Member ID Card and Application Form for ID Card**

---

example of correct photo

Replacing an ID card is the same procedure as it would be for a new ID card. Have the member fill out the ID card form (next page). The photo should be of head and shoulders, with a red background. Member should be facing forward and wearing the light blue shirt. If a member wears glasses it is ok as long as they are not tinted. Also the glasses can't show glare. If that is a problem have the member remove their glasses for the photo. Neck chains or jewelry should not show. Women should not wear large ear rings (hoops). Same as in uniform regulations.

Photo should be emailed to Bill Cummings [cummingsuscgaux@roadrunner.com](mailto:cummingsuscgaux@roadrunner.com)

**AUXILIARY ID CARD APPLICATION**  
**ALL INFORMATION IS REQUIRED TO CREATE YOUR CARD**

**Please insert information below each line:**

**1- STATUS**
