## Level 4 Leadership Competency Certification

Leadership Competency Certification is the process by which a person proves that he or she has the knowledge, experience and skills to perform the tasks required of leadership. The proof comes in the form of a certificate which is earned by meeting the requirements at each competency level.

It is important to note that certifications are a demonstration of ability or knowledge. Leadership Competency Certification shows members and the Chain of Leadership and Management (CLOM) that you are committed to professional, sound leadership and are well-trained. It gives them confidence in your abilities and knowledge. Certification makes you more valuable to the Auxiliary.. Certification also opens up leadership advancement opportunities. You will have a competitive advantage over candidates without certificates.

Requirements for Level 4 Leadership Competency Certification:

- \_\_\_\_\_ Level 1 – Leadership Competency Certification
- \_\_\_\_\_ Level 2 – Leadership Competency Certification
- \_\_\_\_\_ Level 3 – Leadership Competency Certification
- \_\_\_\_\_ Leadership Competency – Level 4 Test
- \_\_\_\_\_ Auxiliary Upper-Level Officer Course (AULOC) [Formally known as AMLOC-B or DCAPT]

Effective 1 February 2022 verify with your *DSO-NIT* that all training has been recorded in AUXDATA II as you complete the requirements. A report is sent to your DIRAUX for issuance of the Leadership Competency Certificate.
