

## ***All Things Auxiliary on The Web (part 2)***

*(Some of this is the same "BUT" there is MORE!)*

***At anytime feel free to bookmark on your computer a page or link that makes it faster for you get to what you need.***

All URL links on these pages are good as of 11/24/2016. These pages will be on the AUXILIARY D17 Website on the DSO-CS & DSO-MT pages and will be updated as needed.

To get to almost everything the Coast Guard Auxiliary D17 has to offer on the web you only need one thing--

1. CG Auxiliary District 17 Web Site <http://wow.uscgaux.info/content.php?unit=170>

And one more thing! A **PASSWORD**. You need one, get it here if you don't already have one ***PLEASE Read the Instructions***

<http://webforms.cgaux.org/forms/7029/password.php>

If your Flotilla is not on this list and anyone in the public is trying to find a Flotilla near them on the web they will not have the opportunity. They lose the chance to get information and we lose the chance to help and maybe recruit a new member. Ask your Flotilla Commander to get your Flotilla Website Approved, Listed & Linked.
