Subj: FLOTILLA ACTIVITY REPORT FOR DECEMBER 2021

Happy New Year! This report summarizes both our Flotilla's activities for December and from the previous twelve months.

1. Sorry to report that our Holiday gathering did not go as planned for a number of reasons.
2. Our year began with a balance of \$3,433.21 and ended with \$3,222.94 in our account.
3. Five members resigned, one transferred, and sadly, two passed away during the year.
4. Seventeen members are in good standing, and one person's application is pending.

Looking ahead, our next meeting will be on Tuesday, January 11th. I will prepare an agenda to be distributed next week. If you are interested in additional volunteer service, then I welcome your assistance as our Vice Commander or as one of our Flotilla's staff officers. I could use the help.

Commodore Janik has let me know that three District Staff Officer positions are available, in public affairs (DSO-PA), RBS visitation program (DSO-PV), and vessel examination (DSO-VE). If you are interested, please contact either Marion Parrish (as DCOS) or Commodore Janik to discuss.

This month, the Seventeenth Coast Guard District will host a Flotilla Commanders Academy; I will be attending virtually. And planning is well underway for our annual District Training event (D-TRAIN). Additional formal training opportunities have begun again, including leadership training at all levels of our Auxiliary. Let me know if you are interested in applying.

We cover a lot of ground. Our members live across Alaska and even a few are living in the Lower 48 right now, but our calls and our virtual meetings help to keep us connected. Please share your favorite ways to stay in touch.

I look forward to hearing from you on how we can improve member services, achieve our missions, and grow in Fellowship.
