Subj: SHORT-TERM TRAINING REQUEST DEADLINE FOR FY 2024 C-SCHOOLS

1. Any Short-Term Training Requests (STTRs) for Auxiliary C-schools taking place in the remainder of Fiscal Year (FY) 2024 must be complete and submitted by your DIRAUX office no later than the national STTR deadline of June 15, 2024, in order for the member to be considered for possible enrollment. In order to provide adequate time for processing, interested members should submit their STTRs as soon as possible and ensure that the submitted information is correct and complete.
2. The FY 2024 Auxiliary National C-school calendar can be found on the following webpage: <http://wow.uscgaux.info/content.php?unit=aux00>. Members who are interested in attending a session should proceed as soon as possible to submit a STTR (form ANSC-7059; <https://forms.cgaux.org/archive/a7059.pdf>) in accordance with the form's instructions and associated Auxiliary district policy.
3. Questions about a course, including requirements and prerequisites, can be answered by checking the C-School Student Support Sites. The links to these sites are located at the bottom of the page at <http://wow.uscgaux.info/content.php?unit=aux00>. A member can also contact the course POC directly using the contact information provided on the Auxiliary National C-School calendar.
4. Internet release is authorized.

For many reasons including the value of keeping communication lines clear and open as well as facilitating access to training and educational tools, all Auxiliarists are urged to have their own email address and to keep it updated in AUXDATA II.

*All ALAUX's are posted on the Chief Director of Auxiliary web site located at: [CHDIRAUX ALAUX](#)
