Subj: AUXILIARY UNIFORM AND APPEARANCE POLICY CHANGES

Ref: (a) BSX Policy Letter 23-02 / AUX-PL-024(A)

1. The Chief Director of Auxiliary (CHDIRAUX) has issued a revision to reference (a). Policy Letter 23-02 / AUX-PL-024(B) can be found on the CHDIRAUX website: <https://wow.uscgaux.info/content.php?unit=BX-GROUP&category=bsx-policy-letters>.
2. Highlights of changes are summarized in the Policy Letter's promulgation memo with detailed revisions in its enclosure. They include changes to provisions for the wearing of the Alternative Work Uniform (AWU), consequence management associated with annual uniform inspections, and several other component allowances for the Operational Dress Uniform, Coast Guard Working Uniform, Hot Weather Uniform, Winter Dress Blue uniform, and Service Dress White uniform. These changes are effective immediately.
3. Questions should be directed to the appropriate Auxiliary Chain of Leadership and Management (COLM).
4. Internet release is authorized.

For many reasons including the value of keeping communication lines clear and open as well as facilitating access to training and educational tools, all Auxiliarists are urged to have their own email address and to keep it updated in AUXDATA II.

*All ALAUX's are posted on the Chief Director of Auxiliary web site located at:
