The Auxiliary Director of Public Affairs (DIR-A) shall serve as the AUXCCG national program manager and maintain close liaison with the U.S. Coast Guard Ceremonial Honor Guard for the purpose of general programmatic advice and guidance including matters of performance standards and expectations.

b. To ensure standardization and awareness of this new program SOP, all Auxiliarists currently performing Color Guard activities are required to successfully complete the AUXCCG Personal Qualification Standards (PQS) by 30 June 2023 in order to continue doing so thereafter. Current AUXCCG leaders are granted a one-time authorization to sign off tasks in the AUXCCG PQS for members of their respective AUXCCGs as well as themselves. However, they may only do so after successful completion of the 25-question, online, open-book AUXCCG exam available through the Auxiliary National Testing Center (<http://ntc.cgaux.org>).

3. DIRECTIVES AFFECTED. None.

4. BACKGROUND.

a. Auxiliary Color Guards provide excellent opportunities for ceremonial presence on behalf of the Coast Guard and the Auxiliary. They afford representational, recruiting, public outreach, and fellowship tools for Auxiliarists to demonstrate their long history of service pride and professionalism.

b. Auxiliary Color Guards have traditionally supported ceremonial events like changes of watch, funerals, sporting events, and parades. Such events have historically been enhanced by the presence of an Auxiliary Color Guard.

5. DISCLAIMER. This SOP is not a substitute for applicable legal requirements, nor is it itself a rule. It is intended to provide guidance for Auxiliary personnel and is not intended to nor does it impose legally binding requirements on any party outside the Coast Guard.

6. MAJOR CHANGES. None.

7. DISTRIBUTION. No paper distribution will be made of this SOP. An electronic version will be posted on the Coast Guard Auxiliary web site: <https://www.cgaux.org> . All web sites in the SOP are the most current available. If the cited web link does not work, then access should be attempted by copying and pasting or typing the web site address into the user's internet browser.

8. QUESTIONS AND REQUESTS FOR CHANGES. Questions about this SOP and requests for changes should be submitted in writing to the Auxiliary Director of Public Affairs (DIR-A) via the cognizant Auxiliary public affairs staff officers.

    - (2) Follow all protocols and courtesies expected of Color Guard participants and discharge their duties in an honorable and respectful fashion. They shall act in a dignified manner so as to bring honor to the Nation, the Coast Guard, and the Auxiliary.
    - (3) Provide timely confirmation of their ability to support AUXCCG assignments to their unit AUXCCG leader, and shall similarly notify their unit AUXCCG leader in cases of non-availability to participate.
    - (4) Document assignment to duty prior to actually performing such assignments in accordance with reference (d).
    - (5) Contact the cognizant unit AUXCCG leader prior to the performance of any AUXCCG activity to identify and confirm logistics responsibilities, event

expectations, communications methods, and any staging, power, and audio-visual requirements.

  - (7) Be familiar with the terms and definitions related to official ceremonies found in Appendix A.
  - (8) Use the AUXDATA II operations code, "Auxiliary Ceremonial Color Guard." AUXCCG events shall have one identified Lead. Associated preparation and travel time shall be captured under code 99B on the Member Activity Form (ANSC-7029). DSO-PAs, and other appointed and elected staff officers assisting with AUXCCG activities may use code 99A. They shall also use the following activity codes on the Mission Activity Report Form (ANSC-7030) for capturing performance activity time in AUXDATA II:
    - (a) 10E – PA AUGMENTATION for events with or for the active duty Coast Guard.
    - (b) 10J – COMREL (Community Relations) for parades.
    - (c) 10K – OTHER PA PROJECTS for sit-down concerts.
- b. Unit AUXCCG leaders shall:
- (1) Ensure appropriate Auxiliary elected and public affairs staff officers in the geographic area of the performance are notified well in advance and kept abreast of logistical needs and scheduling. They shall also work closely with the AUXCCG program chain to ensure that appropriate DSO-PAs are kept apprised of any performances that are likely to carry a high public and media profile.
  - (2) Inspect the event venue, note any obstacles and interferences such as uneven ground or floors, low ceilings, tables, podium, stage, chairs etc, and ensure that the risks posed by such obstacles and interferences are appropriately mitigated or eliminated prior to the color guard's performance.
  - (3) Arrange associated day-to-day operations and activities and report the event's execution and completion to the Order Issuing Authority (OIA).
- c. Pursuant to guidance in references (e) and (f), AUXCCG program assignments to duty may include:
- (1) Auxiliary ceremonies and functions (e.g., Changes of Watch).
  - (2) Coast Guard ceremonies and functions (e.g., Changes of Command).

Assignments to AUXCCG duty shall be requested, approved, and documented in accordance with reference (d). Appendix B should be used to capture relevant information about an event for which AUXCCG program support is sought and assess the merits of assigning AUXCCG participants to provide it. Such assignments to duty shall only be made after close coordination between the cognizant public affairs staff officer, unit AUXCCG leader, cognizant unit elected leader, and the OIA if not the unit elected leader. For example, a request received by a flotilla AUXCCG leader for Color Guard

  - h. AUXCCG program performances must conform to these guidelines and other applicable Coast Guard and Auxiliary policies.
4. Uniforms and Equipment.
- a. In accordance with Chapter 5 of reference (c) and Chapter 10 of reference (d), the following Auxiliary uniforms are authorized for wear by AUXCCG participants for Color Guard activities: Tropical Blue, Service Dress Blue, and Dinner Dress Blue. No matter which uniform is worn, all members of the Color Guard must be in the same uniform. When serving in conjunction with a military Color Guard, Auxiliarists shall wear the uniform prescribed by the military Color Guard coordinator. Custom uniforms such as those used by the Coast Guard Honor Guard are not authorized.
  - b. The following uniform accoutrements are authorized for use by AUXCCG participants:

  - c. The following uniform accoutrements are not authorized for wear or use by AUXCCG participants:

(5) Any Honor Guard shield, patch, or pin.

5. Honors and Ceremonies.

- a. Most official ceremonies will involve the National Ensign and one or more organizational flags such as the Auxiliary Flag.
- b. Proper handling and display of the National Ensign shall be in accordance with reference (b), specifically:
  - (1) When carried, it will not be dipped by way of salute or compliment.
  - (2) When carried, as in a procession, with another flag or with other flags, its place is on the marching right (i.e., the left of an observer whom the flag is approaching, or if there is a line of other flags, in front of the center of that line as shown in Figure 6-1 and Figure 6-2).
  - (3) It should never touch anything beneath it, such as the ground, floor, or water.
  - (4) It should never be carried flat or horizontally, but always aloft and free.
  - (5) When displayed in a grouping with the organizational colors, it should rest either in the middle or to the left as shown in Figure 6-3 and Figure 6-4. When flags are arranged in a line, it shall be posted to the far left, as seen by observers or audience.

Figure 6-1

Figure 6-2

Figure 6-3

Figure 6-4

c. Folding the National Ensign.

- (1) In accordance with Chapter 7 of reference (a), the National Ensign is folded lengthwise so that the crease parallels the red and white stripes. It is again folded in half lengthwise so that the new crease parallels the stripes as before and the blue field is kept on the outside.
- (2) The fly end (the end away from the blue field) is folded up to the top so that the single edge lays perpendicularly across the stripes. By repeatedly folding the triangle, the flag is folded into the shape of a cocked hat.

6. Presenting the Colors.

a. Carrying the Colors.

- (1) The Colors may be carried in any formation in which two or more units, honor or color guards, or representative elements of a command participate.
- (2) During a review, parade, Honor Guard, or Color Guard ceremony, ordinarily only one National Color is present. The National Color is given the honor position and is carried on the marching right of positional and organizational colors. The United States Coast Guard Auxiliary flag is carried to the immediate left of the National Color. If marching with more than one service branch, see Chapter 15 of reference (a) for the correct arrangement of units in formation.
- (3) The National Color renders no *Salute* (dip).
- (4) The organizational color salutes (dips) in all military ceremonies while the National Anthem, "To the Color," or a foreign national anthem is being played, and when rendering honors to the organizational commander or an individual of higher grade including foreign dignitaries of higher grade, but in no other case. The United States Coast Guard Auxiliary flag is considered to be an organizational color and, as such, is also dipped while the National Anthem, "To the Color," or a foreign national anthem is being played, and when rendering honors to the Commandant of the United States Coast Guard or the National Commodore of the United States Coast Guard Auxiliary, or their direct representatives, or an individual of equivalent or higher grade, but in no other case.

b. Posting the Colors.

- (1) Refer to reference (a) for proper execution of marching and facing movements, along with their commands.

- (2) The Color Guard forms outside the entrance to the ceremonial venue. The audience is directed to stand until the Colors are posted. If the playing of the National Anthem (or other appropriate music) and the invocation are scheduled, the audience will remain standing until they are completed.
- (3) When the arrangements include a head table, the Color Guard enters in a line formation, preferably, or forms in a line immediately inside the room and moves to a position centered on and facing the head table where the head of the table will command the posting of the colors.
- (4) When a head table is not used, the Color Guard enters and moves to a pre-designated position centered on and facing the audience. This may require the Color Guard to move in a column and use facing movements. The movements must be planned so that the National Color is always on the right when in line and is leading when in column.
- (5) If the flags are to be present in flag stands during the ceremony, after presenting the colors, the Color Guard may move towards the designated flag stands and post the colors.

c. Retiring the Colors.

- (1) Refer to reference (a) for proper execution of marching and facing movements, along with their commands.
- (2) The audience is directed to stand for the retiring of the Colors.
- (3) When a head table is used, the event coordinator shall move the Color Guard to the head table where the Color Guard will be ordered to retire the Colors by the head of the table.
- (4) When the head table is not used, the Color Guard moves directly to the flag stands where the Colors are retrieved. The Color Guard exits as previously described.

7. Drill.

a. Marching and Facing Movements.

- (1) Refer to reference (a) for proper execution of marching and facing movements, along with their commands.
- (2) The Color Guard is formed and *Marched* in one rank at *Close Interval*, the bearers in the center. They do not execute *Rear March* or *About Face*. The Color Guard marches at *Right Shoulder Arms* and executes *Facing* movements by wheeling to the right or left.

- (3) When passing in review, the Color Guard executes *Eyes Right* at the prescribed saluting distance on the command of the Color Guard Leader. The guard on the right flank of the Color Guard does not execute *Eyes Right*.
- (4) During ceremonies, the Color Guard remains at *Right Shoulder Arms* except when executing *Present Arms*. Some ceremonies may happen to take place with a very low ceiling. In this case, the Color Guard may march in a *Trail Arms*.
- (5) When in formation with a larger Color Guard, and not during a ceremony, the Color Bearers execute *At Ease* and *Rest*, keeping the staffs of the colors vertical. The Color Guard executes *Right Shoulder Arms*, *Order Arms*, and *Present Arms* with the Color Company. During ceremonies when the Colors are not forward and remarks are to be made, the Color Guards and Color Bearers execute *Order Arms* and *Parade Rest* on command of the Color Company Commander. During any ceremony when the units are *At Ease*, the Color Guard and Color Bearers are at *Parade Rest*.

b. Manual of Arms.

- (1) Section 5.Q. of reference (d) prohibits weapons from being worn, carried, or held by any Auxiliarist or guest of the Auxiliary while attending an approved Auxiliary function, including regularly scheduled Auxiliary unit meetings. A non-firing ceremonial rifle is not considered a weapon and therefore may be utilized by AUXCCG participants provided it is clearly identified by the unit AUXCCG leader as non-firing in nature.
- (2) Sabers, swords, and side arms holsters are not to be used or carried.
- (3) Refer to Chapter 3 of reference (a) for proper execution of movements and their commands.

8. Training and Qualification.

- a. This SOP establishes the policies, protocols, and procedures for training, and qualification of AUXCCG participants. All AUXCCG participants must successfully complete the PQS, including the online written test available through the Auxiliary National Testing Center (<http://ntc.cgaux.org>), in order to be assigned to duty. There is no currency maintenance or re-certification scheme for the AUXCCG program.
- b. A Color Guard is often associated with the military, fire, or police departments and composed of volunteers who are carefully screened for their loyalty, skills, and commitment to service. Therefore, only those individuals who are highly motivated, maintain exceptionally high standards of appearance and conduct, and show aptitude for ceremonial duty are to be considered for qualification.

- c. The qualification of AUXCCG participants must be linked to standards of excellence and selective measures to ensure the highest caliber of participants. They must be qualified and certified with assurance that they have been trained to meet expected standards.
- d. Qualification standards allow increased interoperability with Coast Guard units and utility as a true force multiplier. The qualification detailed in this SOP is not related to the Operational Auxiliarist (AUXOP) program, but rather is an entirely new qualification program within the Auxiliary's national public affairs program.
- e. All AUXCCG participants must:
  - (1) Possess a Favorable Operational Support Personal Security Investigation (OS PSI).
  - (2) Have achieved BQ membership status in order to commence the AUXCCG PQS.
  - (3) Be current in Auxiliary Core Training (AUXCT) in order to commence the AUXCCG PQS.
  - (4) Possess and demonstrate the willingness and ability to carry out AUXCCG duties as established in the PQS in Appendix C, and be approved to commence this training by the cognizant unit elected leader.
  - (5) Adhere to Auxiliary grooming standards including prohibition of visible tattoos. Beards and mustaches are prohibited for AUXCCG event engagement, and the face must be clean-shaven for participation in any AUXCCG event.
  - (6) Complete the AUXCCG PQS within 18 months from completion of the first task. If not so completed then the qualification process must be re-started.
  - (7) Successfully complete the 25-question, online, open-book AUXCCG exam available through the Auxiliary NTC ([ntc.cgaux.org](http://ntc.cgaux.org)) with a minimum score of 90 percent.
- f. Upon successful completion of all AUXCCG PQS tasks in Appendix C, the PQS shall be routed to the cognizant unit elected leader for review and signature approval. The unit elected leader shall forward the approved PQS to the appropriate DIRAUX for final approval of the AUXCCG qualification, appropriate AUXDATA II record entry, and issuance of the qualification certificate.
