## **Admissions Auxiliary Personnel Security (PERSEC) is Not an Authorized Coast Guard Auxiliary Program**

Shipmates:

I understand that some members of the Auxiliary have been involved in activities under the program name "Admissions Auxiliary Personnel Security Program" or "PERSEC," believing that it is an authorized Auxiliary Program. That program is NOT an authorized Auxiliary activity. Any member involved in that program must immediately cease and desist participation, taking no further action of any kind in support of that program. If you were involved in that program and have any questions, please direct them to Commodore Richard Mihalcik, ANACO-AS at [rmjkmihalcik@sbscglobal.net](mailto:rmjkmihalcik@sbscglobal.net).

Very respectfully,

Agostino "Gus" Formato, National Commodore

U.S. Coast Guard Auxiliary
