Rosen Centre Hotel Reservations Deadline for NACON 2024

All,

We are rapidly approaching the Rosen Centre's booking cutoff date of 19 JULY 2024. After that date, rooms will only be available based on space availability and the room rate will be the regular hotel rate, not the less expensive Government rate.

Members attending under AuxA reimbursable orders must stay at the ROSEN CENTRE and must register for the conference and the Friday and Saturday night activities. Registration is available at the following site: <https://www.cgauxa.org/nacon-2024.html>.

Detailed information regarding the NACON schedule and activities are also on this website.
